

EMPOWERING YOUR INNER SUPERHERO

Conflict Resolution,
Drama Integration, Collaboration

This workshop invites you to explore productive communication and focused imagination.

It's time you stepped into your power by igniting personal passions and celebrating your unique strengths.

Exploring where you come from and sharing with others.

Examining body language and non verbal cues - Inviting connection and compassion

COSMIC FLOW STUDIO

WWW.COSMICFLOWSTUDIO.COM

FREE YOUR VOICE CLARITY, DICTION & VOCAL CONTROL

Prepare yourself for interviews, auditions, performances or other public speaking experiences.

This workshop covers important breathing techniques and appropriate public speaking basics for aspiring actors, business professionals or those individuals interested in expression therapy.

THE MAGIC OF PANTOMIME

CREATIVE STORYTELLING PHYSICAL AWARENESS PROP MANIPULATION

In this workshop, we learn the importance of collaboration and collectively create a story told without words.

The group will be guided by a trained acting professional with the intention of expanding self perception.

Offering an uplifting and inspiring approach to choreography and storytelling; we use a drama based approach to examine how "props" can enhance our performance and flow experience.
